

# EMILY NICHOLS

FULL - STACK WEB DEVELOPER

## SUMMARY

Emily Nichols is a Full-Stack Web Developer with a focus on JavaScript, React, and Angular. She has all but completed the Full-Stack Web Development program at CareerFoundry and holds an Associate of Science degree in Digital Forensics from the College of Southern Nevada. She is seeking opportunities to apply her skills in web development and contribute to innovative projects. Emily's educational background and hands-on experience make her a valuable asset in creating user-friendly and visually appealing websites. She is proficient in utilizing various web development tools and technologies to deliver high-quality solutions.
